

## Road Evaluation Report

Road evaluation was conducted by Brett Hunter, Wes Koehler and Tim Haskins on 20 Apr 2024.

Overall, roads are in pretty good shape. Certain roads were identified as needing addressing by town highway department. Board members agree with their overall findings. Some small suggestions were proposed to workers without any resistance. Road work will begin as soon as possible. Roads are currently being graded and will be working on culverts, road and turnaround graveling.

### Culverts to be placed (Not placed in priority)

- Beebe
- Bennett
- Hazel Prairie/Fire Tower (priority for road construction on county road P).
- Miller
- Moose Lake
- Pison

Gravel (Not placed in priority). Some may not get done based on time, but we are going to do our best.

- Beebe
- Giffin
- Hazel Prairie
- Hagman (Between Highway 53 and County Rd B)
- Meller
- Moose Lake
- Old #11 (Northern section from Hagman to County Rd L)
- Olsen
- Summer
- Shady

### Grading

- Grading operations are underway. With the amount of rain we have been getting, we are experiencing some delays. Please be patient with us. We are trying to prioritize roads in worst condition to best. Our highway department is doing everything they can. If anyone has any complaints or concerns, please address them to the Town Chairman via email (available on website).

## Addition to Road Report

Two trees that are on the edge of road on Summer Lane need to be removed. This is in the right of way of town road and a legal liability to the town.
